Creative

VAE contracts directly each year with major associations, Fortune 500 corporations and international organizations.

We stage hundreds of events each year at the destination venue selected by the meeting planner or organization.

VAE In-House offices and Warehouse locations

Our services are available in every state of the USA, in Canada, and in the Caribbean.

VAE is the preferred in-house audiovisual services provider at a number of luxury Hotels, Resorts, Conference Centers and Convention Centers across the country.

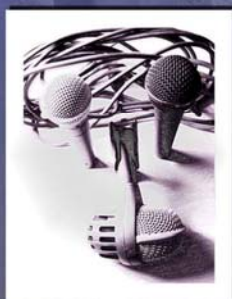

Our services include dedicated on-site staff, equipment, meeting room internet service, and sales support for the smallest to the very largest meetings.
