## CONVENIENCE, SAVINGS, FREEDOM

Silicon Valley is a great location for conventions because there's so much to see and do. But getting around can be a big headache when you have to arrange rental cars and taxis, or just coordinate everyone's travel schedule.

That's why it makes sense to put VTA Light Rail and Bus service to good use for your convention, seminar, meeting or other large gatherings. Your guests will have the freedom to go where they want to go, when they want to do it. And you'll be free of transportation arrangements — and headaches.

### Just the ticket for savings and unlimited rides.

VTA's Convention Pass is just \$4.50 a day (for adults) and \$3.75 a day (for youth), with a minimum purchase of 100 passes per day. Compare that to our regular pass price of \$6 a day and the 25% savings speak for themselves. Convention Pass allows unlimited rides on VTA Light Rail, all Local and Limited-Stop buses, Community Bus, shuttles and the Historic Trolley\*.

Just show the Convention Pass and enjoy the ride! Your guests can ride VTA to museums, malls, local hotspots or leisure destinations all to their heart's content.

\*Historic Trolleys run November 24-December 29, on Saturday only, weather permitting.
